

Man Minus Hands Kills 23 Rabbits; Teeth on Trigger

HANOVER, Pa., Nov. 16.—Although he has no hands, Abraham B. Meyers, broke this season's record for the most successful one day's hunt in York county, when he brought home last night twenty-three rabbits, eighteen of which he had killed himself, while his companion, possessed of both arms, shot only five.

Meyers holds his gun by a ring under the stock large enough to admit the trigger of his left arm, while to the right a strap is attached, the end of which he grips in his teeth.

"Good friends, I suppose," asked the court.

"Yes, judge, and always have been," replied Bryan.

"I don't feel called upon to separate old friends," said the judge. "You can remain together for fifteen days in the workhouse."

**PAYMASTER IS ROBBED;
THREE MEN ARE CAPTURED**

PASSAIC, N. J., Nov. 16.—Four armed men held up a paymaster of the Warrenton & Aldrich Co. today, and secured \$7,000 in currency. The three men were arrested, but the fourth, who had the booty, escaped.

While the man who escaped was hurrying to a bridge over the Passaic river, his three accomplices tied the paymaster to a tree and he was found by employees of his company.
